

Information sheet

for the submission of applications for a
Clinical Medicine Plus scholarship
to the Professor Dr Max Cloëtta Foundation

The «Guidelines Clinical Medicine Plus» are the main criteria for submitting applications.

Please send the following documents as a PDF to cloetta@stiftung.ch. Please label the documents as marked in brackets:

(e.g. Müller_Application):

- a) Application form (Name_Application)
- b) CV and publication list (Name_CV_Publist)
- c) Project description and budget (Name_Project_Budget)
- d) Reference letters (Name_References)

We kindly ask you to observe the following points:

1. The earliest possible date for the start of your fellowship is **1 December 2019**.
2. All documents must be submitted in **English** (incl. reference letters).
3. Please complete the application form digitally. Your answers should be limited to the essentials. The completed form must not exceed two pages.
4. The project description should not exceed two pages.
5. Please include a **reference letter** from your **mentor**, one from the **guest institution** and any other institutions with whom you plan to cooperate.
6. Do not forget your mentor's signature on the application form.
7. Please submit **only** the application form with the original signatures additionally by post.
8. The deadline for submission is **31 July 2019** (date of postmark).

Many thanks and good luck with the submission of your application.
